Restaurant Interface - Table Orders

Let customers order directly from their phone to reduce waiting times. The staff can easily manage it all from their phones or web interfaces.

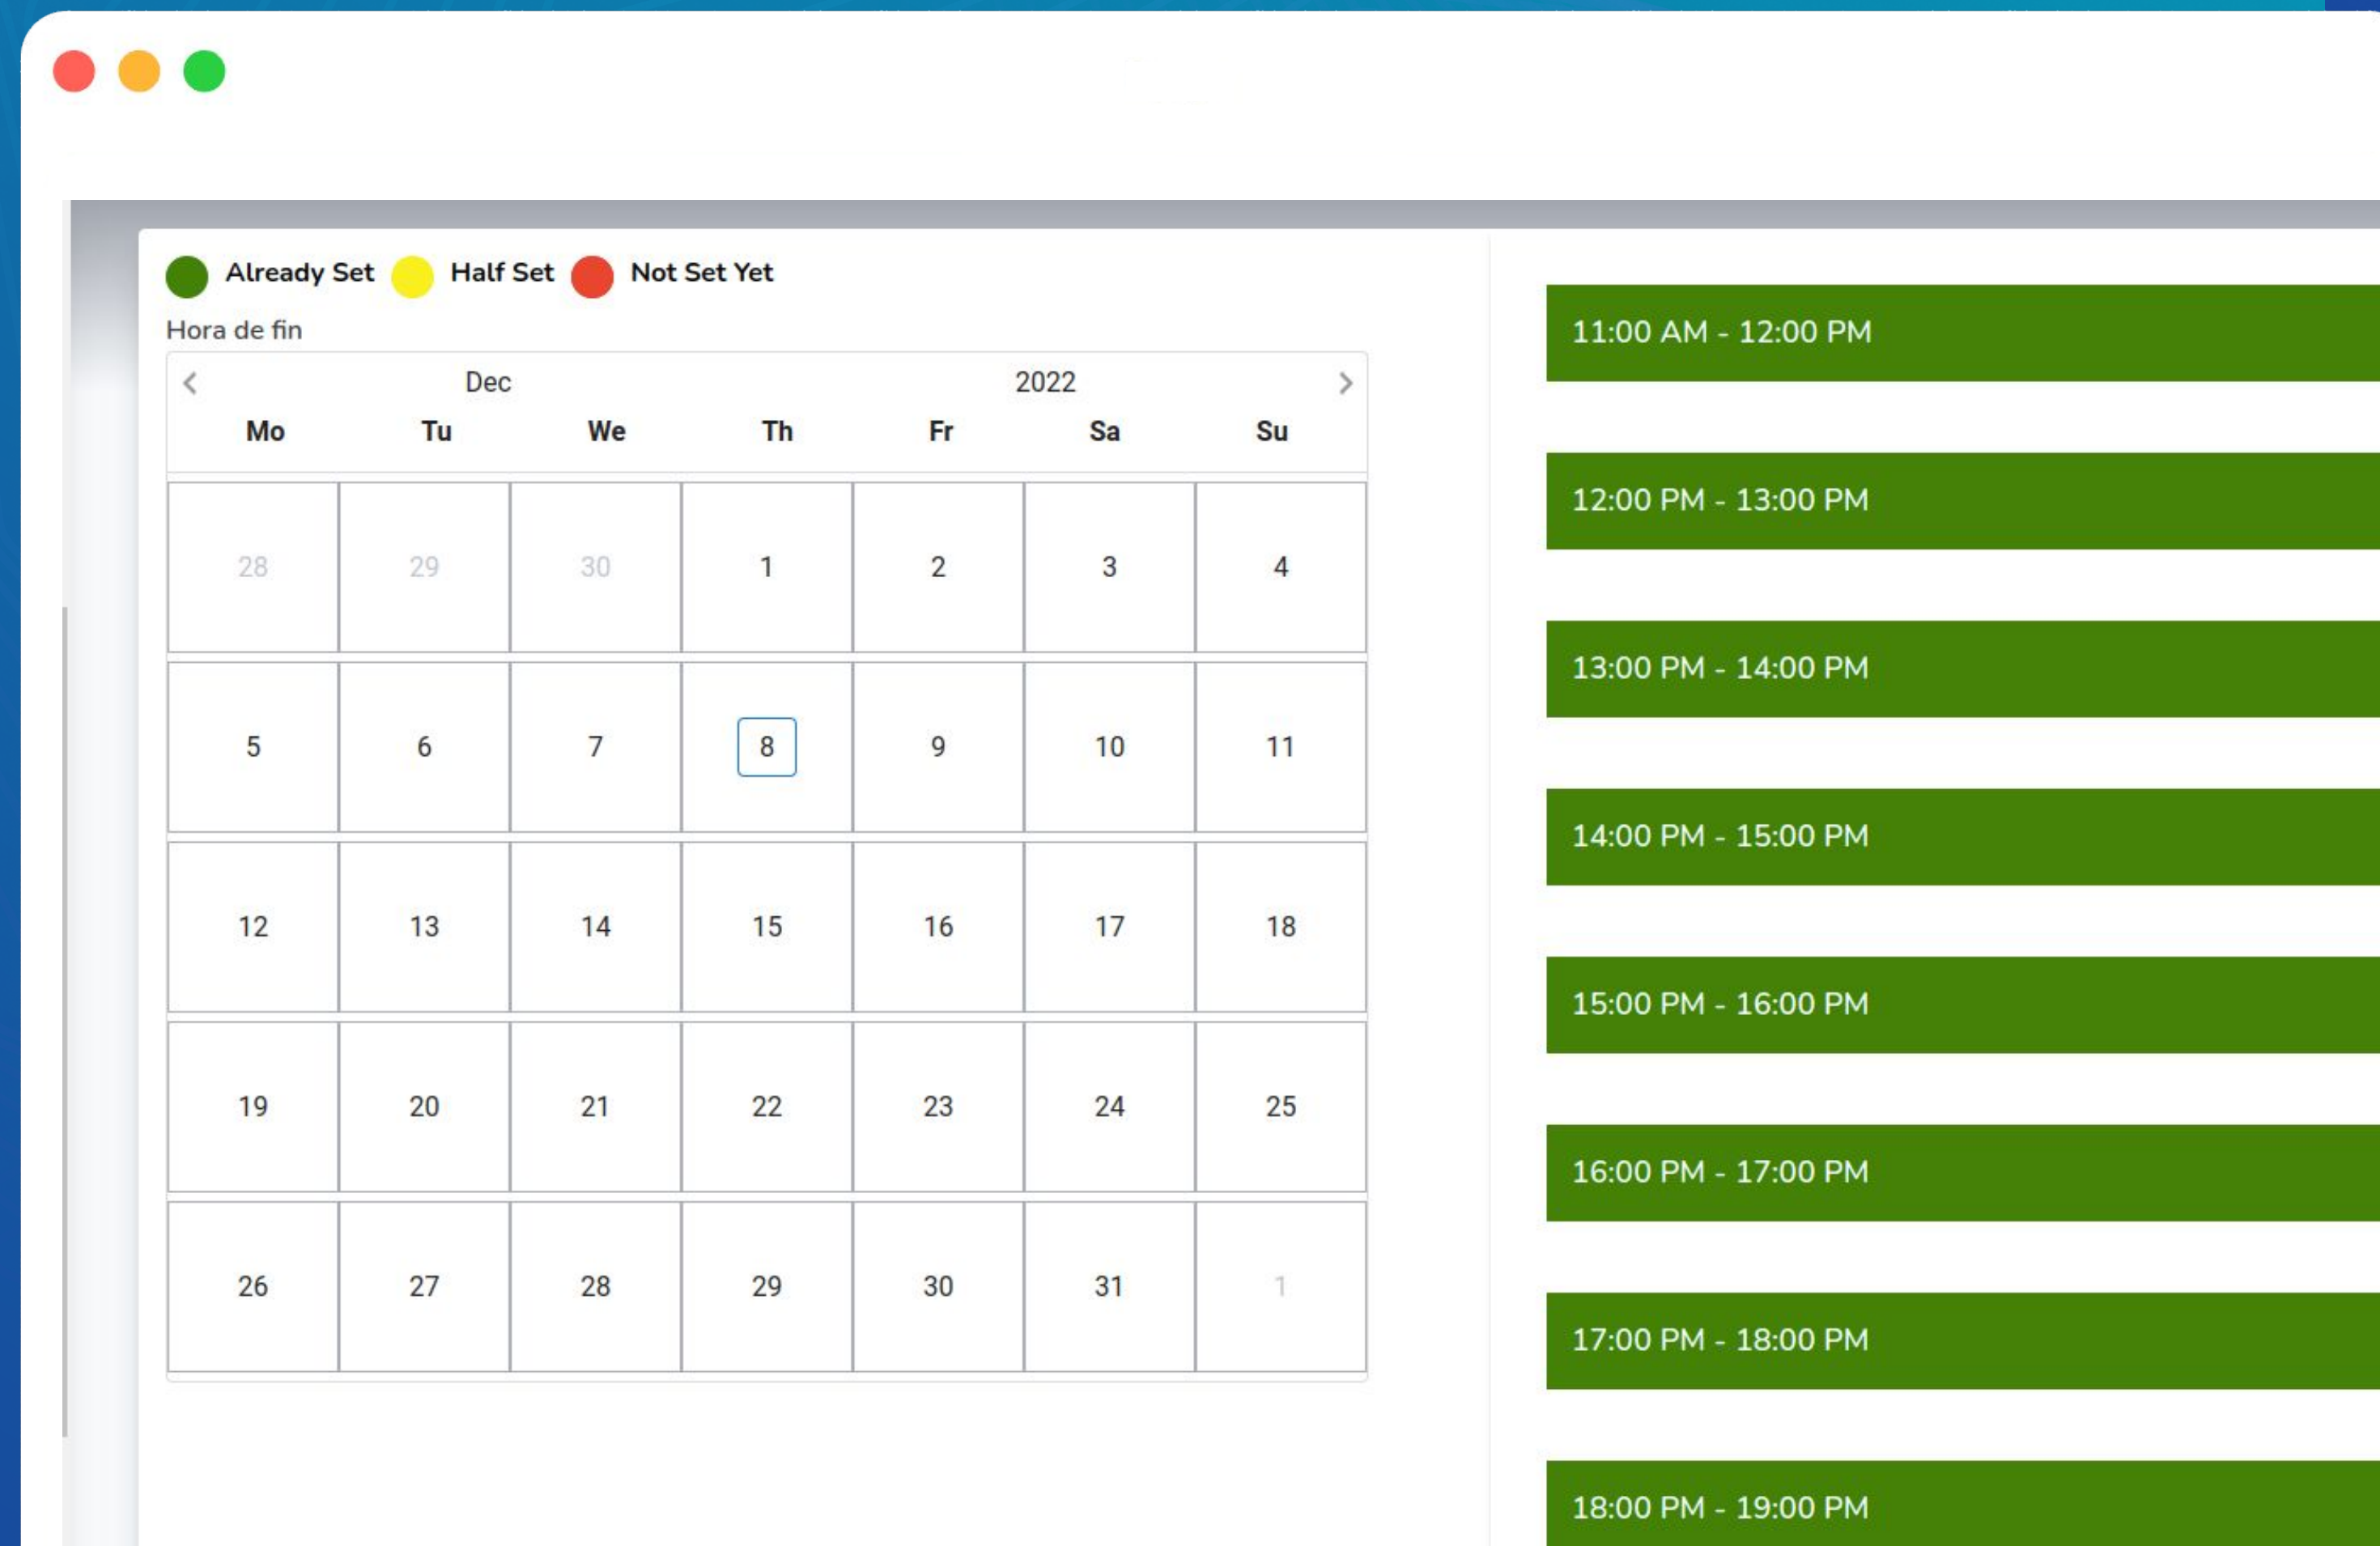

Restaurant Interface - Split Accounts

Forget the chaos of collecting large bills and quickly manage individual or global accounts. We got the solution for you to manage it.

Module Bookings

Allow your clients to make reservations and let Befaster take care of managing them.

The screenshot displays the Befaster booking module interface. At the top, there are three colored circles (red, orange, green) and a search bar. Below the search bar, there is a legend with three colored circles and their corresponding status: green for 'Already Set', yellow for 'Half Set', and red for 'Not Set Yet'. The main section is titled 'Hora de fin' and contains a calendar for December 2022. The calendar shows days of the week (Mo, Tu, We, Th, Fr, Sa, Su) and dates. The date 8 is highlighted with a blue border. To the right of the calendar, there is a list of time slots, each represented by a green bar with white text indicating the time range.

Legend:

- Already Set
- Half Set
- Not Set Yet

Hora de fin

Calendar (Dec 2022):
